It's a Mon--

It's a Monday and we're in the studio

Everybody feeling okay

Just wanna go home

All I wanna do is

All I wanna

Do (yeah)

All I wanna do is

All I wanna do (oh, ooh)

All I wanna do is

Stay home with ma friends make we chill (yeah)

All I wanna do is

Stay home with my friends make we chill (ill)

Ay, man of the year

We go fuck up the year

More action

Put in the work

Are you prepared?

Yebɔ sounds, triple cuts

King of hearts end the trust

Nowhere got the bus, yeah

Be like we grow up so fast, yeah

Now them no wan' fuck with us

Lost some people in the past yeah

Memories never go pass (aah yah)

You only hit my phone when you feel like

Made two wrongs, don't feel right

I dey come alive at midnight

Nyame nsa na ewomu no be by might

All I wanna do is

Stay home with my friends make we chill (yeah)

All I wanna do is

Stay home with my friends make we chill (ooh yeah)

All I wanna do is

All I wanna do is

All I wanna do is

All I wanna do is

All I wanna do is

Stay home with my friends make we chill (ooh ooh)

Stress no ye more

It won't take me under

Don't let me go

Started from ground up

Love being solo

You hate being sober

Don't wanna go

Tell them it's over

But all I wanna do is

Stay home with my friends make we chill (yeah)

All I wanna do is
Stay home with my friends make we chill (ooh yeah)

All I wanna do is
All I wanna do is
All I wanna do is
All I wanna do is
All I wanna do is
Stay home with my friends make we chill

And you know the feelin' when it's real
Yeah
Uh uh, the niggas when it's real
Woo woo woo woo
