

# All About

Kwesta

So I actually did it  
Had a dream and I actually lived it  
They all asked me to fit in  
But I told 'em I was actually different  
Yeah, so I didn't go to school much  
Liqour store ntwana ngibambe aboma 2 fas'  
Yeah, while I was tryin' out the new stuff  
Fruity loops, oh shit I got a new rush  
The beat bang, the raps came  
The feedback put me in the rap game  
AMS came, I was so raw but I been caned  
I was on tour  
Held my K1 flag high  
Even when the hater said how dare I  
Yeah and I was only nineteen  
But I don't care who you are, we all got dreams

You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about  
Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about  
You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about  
Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about

So you can actually do it  
You just gotta put some action into it  
Well depending on how passionate you is  
You also gotta practise catching the bullets  
Yeah, a little pain for the profit  
Yeah and let me tell you what art is  
Staying where your heart is  
Even when the dream killers make you a target  
They talkin', keep rocking  
Don't stop shit, put 'em in a coffin  
Stay cautious, keep marching  
Don't drop it, kill 'em with a profit  
Don't try to be them, but try to be new  
Don't try to beat them, try to beat you  
Yeah... No, we're not all kings  
I don't care who you are but we all got dreams

You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about  
Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about  
You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about

Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about

You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about  
Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about  
You see them coming  
And you dreamin'  
Tryina be running back  
Stop running, face 'em and tell em your dream it's all about  
Stop running, tell 'em you're chosen, that's what it's all about  
That's what it's all about, your dream it's all about
