Kwesta

Konje i'rap le?

Okay

Grootman

Ya sho fede Huzet?

ISgubhu sasho vele angikhuzeki

Bula sekele, I'm ready

Buka the awe from the cadence

Broer is from all generations

True as my fall from your graces

All of the songs that they're making?

Awkward, I already made em

Talking all of your favourites, ya'll got 'em all "ready-made"

Not saying that they shit is cheesy

I'm just sayin' I'm already greater

I know their way in was easy, yeah, 'cause I already made it

But before they got their way in, I was already Baby

Boy, I'm highly favoured

How I need a favour?

I'm outchea rooting for you ngoba ngiwumzali, ngiyak'favour

Bundles of joy

I humble you boys

Ang'zwani nenyongo, la ninganya nonke

Ang'blebi, you heard it verbatim

But I hope izinto zizonilungela

'Cause the sun don't always shine

I hope you're into all that cappin'

Hope you're into what you rappin'

And awuringi udoti k'phela

Me? My future been bright since the bank had a fortune teller

You could tell a fortune was in the cards

Ambitious fellas, I literally gave Kgosi a start

That's word to JR

Ya izinja the dawgs

Ugade ungang'kitazi inyawo when you reach for stars, wassup?

Ain't nothing new here, ngisawuye, impact is nuclear, uh

Like fuck a genre, it's cultures that I've influenced

Nothing to prove, just came through to kick like Liu Kang

I do what you can't but love watching you do what you can, yeah

And watching you act like azange ung'bukela

Back when my bread was being buttered by aboShukela

Before sibashubhela, bengivuthela

I spread my wings and got my W ngathi yilogo ye Wu-Tang

Ekse, eziso zi scarce

So, please, don't be dumb

Been sharpening shit since it all be-gun

But since sonke sila, let's make it All v One

I'll smoke every rapper breathing, these are Pro Kid lungs

Ungaphel' Umoya Son, It takes forever and a day

Just to be here long enough to see forever get away

'Cause they just want a hook, a good beat and then yay

Your legacy isn't some rhymes that you never "Heard 'Em say"

I'm sayin'

What you can't deny

I fuckin' bet they'll never put J next to I

Yini awuzi catch'i?

Then maybe press rewind

Fore niggas shoot you for that Rollie, now you're pressed for time
You're late

Yah

Ayy

Gone but never forgotten

Through the eye of a needle

I'm hand picking the kotini eng'zow' qqoka ngalo suku

They transcend the flesh

They might be blowing smoke but what eye witness is tales of the ego's death

Into ongakaze empilweni yakho

Uyibone ngamehlo is finally unraveling

Le intwana ephuma egravellin

I graduated from those long walks kuleyi ndlela eynameva

That's riddled with snakes, ngisayi nyandula, ng'zula i'Cullinan

Shooting the breeze, sisa landela amafu

A diamond in the rough

El polishwe yistraat is what I would become

Ngok' hamba kwe minyaka

Ng'tabalaza nga buya ne tlama

Thank the Lord still umphefumulo usahlangene nenyama, net so

On my umpteenth wind

Le breathwork level engkiyo, aykakakabi ne number

This is that carefully orchestrated luck, akusiyi yi chaisa

Angeke uthi ungena etaxini bese

Uzo mangazwa yi kwapha

Ay'yeke uk'phapha uth'uk'zehlisa, le yi target practice

Ma uyi nyoni es'hlahleni, ngi sazo kukha nje nge penchisi

Udlala ama games

Ezami az'nceni uk'chaisa le stina nge double header

S'faka uSuper Mario ku Tetris, yah

A true one of one, l'm no apprentice

Too flagrant

Nom' ng'gqok i'suit, incaza ng'sangay' tepisa

So mabay' susa induku bazoy' sutha pay respect

Ngi zakhel' is'hlalo sob'khosi, bese inyawo eliy one ngiyal' cegisa

Something to keep me rooted in my inner truth

Nalokuth', ungal' linge uy'fise impilo yomunye umuntu

Awumazi ukuthi udabuka kwaph' amazwe, weqe miphi imifula ly'nkinga zomhlaba,
mawu ne ntliziyo encane zizok'zwis' ubhlungu, eish

Kudala sphika ne straati, sa gcina s'phunyuka

Kumanzi pants, iy'nyembezi, igazi konke nomjuluko

K'yenzeka umuntu nidlala, nimtinte

Kanti nizomtunuka

I could tell stories ngey' ntangazami that's not to be continued

So, every single line I jot is like a tribute

A plea to your higher self, the peace of God that lives within you

Mfethu, ungabhem' uzu kholwe, uncancatheke

But, this level of rizz, you ain't shopping it from Temu

This level of ... s'what I'm not supposed to tell you, hmh

But you so quick to let the dog whistle offend you

You miss most of the magic, this that and the fifth

Tell me, What's a rite of passage with misquotings of script?
