

Fly Again

Kwesta

Bhek'

Ngiphixa phixa ngento yam' ehlez' ikhona
Ekhona ziwekhona, ngiguxe ngamadolo
EGcobe ikhiye uSathane makakhokhota
Ngilanda yona uSathane mese ngixoba
Ngiphixa phixa ngento yam' ehlez' ila
Ngisho linga shona liyoze livel' ilanga
Lento cishe ngithanda kwe-maid' yaz'
Mese iphephetha lesa lam' el'hlez' likhala
Ithi bade lam' thula, vuka kuzo lunga
Ibuye ithi siyo groova, sixhuke amaPantsola
Lento iyanga jutha, lento iyang'khuphula
Ishaya ilala vuka, no Amen Hallelujah
Love hate laughs tears at times sincere
Other times it don't care, lento yam' disappears at any moment
Kodwa every time it's here, it keeps me going

If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again, fly again
If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again, fly again
If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again
If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again

Walking down an open road
Walking down an open road

Phela I'm blessed holding down your light
Gave me abundance, thought me sacrifice
I would've done less, with my whole life
You and I, we are now one flesh living through the vibes
Hey' nay' lento yam', engabonakal'
Mowus' duze kwayo, heaven is around
Vele angith' uyazi, the devil is a liar
Meng'nga ngena nje phakathi, isicwele leyondawo
Weh ntoyami iba nami ntsuku zonke
Hold me down, uzu ngang'lahli through it all
See I surfaced when I loved you to the core
I'm at your service, kept my soul and struck a chord
I saw all the love hate laughs tears at times sincere
Other times you don't care, kodwa njalo uhlala ukhona noma kunjan'
Wena ongazi into yami, yingoma yami
Dlala ngoma yam'

So it's funny but they telling me to run
Telling me to hide, got no peace of mind
Oh, it's funny, that they telling me to run
Telling me to hide, got no peace of mind
[?] but I found my dream
[?] I've found my thing, I'm living my dream

If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again, fly again
If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again, fly again

If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again
If at first I don't succeed, I pick myself up and fly again
Pick myself up, fly again

Walking down an open road
