

I Came I Saw

Kwesta

I came I saw
I conquered all
Khule ka Gogo
ITv ya next door
Sina fokol
And manje s'ngono
Ma u sdlelu mona
'So shiva ne mkholo
Ngithi nawe uya bona

'So fika daar in a red Gush'
And to my left u'Pearl Thusi
And mina naye besthe ugu n'yega
Mane ringa se foot
I origami that paper
Sendela mgani via Paypal
Magne bari neyi thembayo
Ai thengi sa ini?
Si'bhemani
Green shandies that's Kwesta
Last album sounded like the best off
The best off, the best off, the best off
Okay the best fuck
Oh wait, what? these chairs?
Gotta face what we fear
With no pain, yeah these tears
And no change just di beers

I came I saw
I conquered all
Khule ka Gogo
Thiza next door
Sina fokol
And manje s'ngono
Ma u sdlelu mona
'So shiva ne mkholo
Ngithi nawe uya bona

Pulling up in that black Porsche
Stepping out on Airforce
Just made her ass moist
Dope boy straight crash course
Rolex and passport
3-pointers, I'm nice with it
Fast break all backboard
First pick, Myles Garrett boy
Black bottle that's Rozay
Belaire by the whole case
Condo on the 100th floor
Keep your mouth closed, how success taste
Blow me a kiss
I said blow me a kiss
Now make that ass shake
For this double M clique (Maybach Music)

I came I saw
I conquered all

Khule ka Gogo
Thiza next door
Sina fokol
And manje s'nqono
Ma u sdlelu mona
'So shiva ne mkholo
Ngithi nawe uya bona
