

Nyawo Zami

Kwesta

Sanibonani
Sikhona, ninjani?
Hlalani phansi, nithole indawo
Yini ngathi anazi ngibloma la
Right here in your hearts ende ngikhona njalo
UVilakazi, uqobo lwakhe
Untwezimnandi, uTofolux
UCall and come, upopa njalo
Untozabantu, isoja lomthandazo
Had it and lost it and still ngi la
Got it back because God overdelivers
This is biblical, this ain't typical
ISpirit seCressida lensimbi indala
Ekse, tshela umthakathi la angeke alunge
Mina ngila ngemithandazo yecherry kamkhulu
Still I'm going up, Jabulani Cebekhulu
Anim'yeke akhule

Nyawo zami, ngithathe ungibeke
Phupho lami sheshisa ufezeke
Nhliziyo yami, ngibekezelele
Thando Iwami ungalinge uphelelwe

Kushubile, kumoshekile
Isukile ke ihlomile
Ngikhulile ende ngibonile shona malanga hayi alikho eleHoliday
Ukuringa iWaar ang'kho sharp but I'll be okay
Ende ngiyazi sibabhaya who need a prayer
Abofela phakathi, aboSuffocate
Ngale Rhythm sithi "There's a brighter day"
Tshela iOledi I'm back in my zone
Tshele neTyma his children are sewn
Straight from his soul
And though he got stole, I pray that his home, cosy and composed
And please let him know
That there'll be highs, there'll be lows
And goodbyes, and hellos
We may choke from all the smoke
But we gonna cope, siphuma eKatlehong, you know

Nyawo zami, ngithathe ungibeke
Phupho lami sheshisa ufezeke
Nhliziyo yami, ngibekezelele
Weh thambo Iwami ungalinge uphelelwe

Nyawo zami ngithathe ungibeke
Weh
Ngithathe ungibeke weh
Aw'phupho lami, phupho lami wena sheshisa ufezeke, sheshisa ufezeke

Bheka, eish
See you gon' learn, so will I
There's much to urn, when you're on fire
When tables turn, no one dines
Instead bridges burn and soldiers die
Kodw' ungasabi, awuvayi uyi one
Ntwana nami ngila, asivaye saan

Malanga awafani
Ngelethu sofika kancane, kancane

Nyawo zami, ngithathe ungibeke
Phupho lami sheshisa ufezeke
Nhliziyo yami, ngibekezelele
Weh thambo Iwami ungalinge uphelelwe

Ay ay yoh, iyoh
Ay ay yoh, iyoh
Ay ay yoh, iyoh
