

The Bottom

Kwesta

Nayiya-lina (Nani-nani)
Nanina-ninani (Nani-nani)
Oh nayiya-lina uma lithl edleni

Came from the bottom, hungry is she
Mama I promise, this time I'll fix
Make me a promise, sungangishiyi
If I'm being honest, there will be some tears
Thixo somandla, to You we pray
I need Your guidance to show me the way
Give me the fire to burn through the pain
Devil is a liar, say, I'm not afraid

Made it out here with no Gucci, no Prada
And angeke ngibangene ngingabuyi neTlama
And vele ngiyalevela buza uzocava
Uyanglyeka ngiyanetha laduma ngiwuzama boy
Anginama chain between you and me
That's for the slaves, tomfoolery
See, I'm a believer, I think it's apparent
And I know you see it with all them carats
What do I want? Equity, equity
Look at me now, equity begging me
Stay for the meeting but eish ayangidinga amajita elokshini
I know how you feeling

Came from the bottom, hungry is she
Mama I promise, this time I'll fix
Make me a promise, sungangishiyi
If I'm being honest, there will be some tears
Thixo somandla, to You we pray
I need Your guidance to show me the way
Give me the fire to burn through the pain
Devil is a liar but I'm not afraid

Slbonge nama-hater, ngiyanithanda, ngiyanidinga
I know there's a greater love in you ngiyayi-feela
It's sold as a favour but keeps getting deeper
No post will be needed, I see it, I swear
That's how it goes, we don't show
That love we know 'cause we're controlled
I mean bro, in these songs
Is my soul, get your own
I don't sell it and I do not not fucking buy it
Not from anybody, not for any money
Nglphethe umthwalo waml indlell ibhele ekasi
Man now they just spying on my home
And I'd rather die in my zone
It's nothing 'cause I

Came from the bottom, hungry is she
Mama I promise, this time I'll fix
Make me a promise, sungangishiyi
If I'm being honest, there will be some tears
Thixo somandla, to You we pray
I need Your guidance to show me the way
Give me the fire to burn through the pain

Devil is a liar but I'm not afraid

Never been one for the rules of society
Ngizaml ukuzazi entirely
Plus ku-blind ke emphakathini
We're in dire need, yet we die from greed
See, I know a time I don't quite remember
Umuntu esewumuntu ngabantu ngempela
Slsaphusha umculo wok'chafll amanxeba
Slphume kule-movie yokudlall ukuhlupheka
La Vida no para, my mans
How did we not understand?
We tryna get outta the sands
Children of man

Came from the bottom, hungry is she
Mama I promise, this time I'll fix
Make me a promise, sungangishiyi
If I'm being honest, there will be some tears
Thixo somandla, to You we pray
I need Your guidance to show me the way
Give me the fire to burn through the pain
Devil is a liar but I'm not afraid
Came from the bottom, hungry is she
Mama I promise, this time I'll fix
Make me a promise, sungangishiyi
If I'm being honest, there will be some tears
Thixo somandla, to You we pray
I need Your guidance to show me the way
Give me the fire to burn through the pain
Devil is a liar but I'm not afraid
