More and more, in the fearless thrill I
When the door opens (Umm yayayayayay)
Following the spreading dark violet light
Gradually drawn inside the small room

As if we have been waiting already from the beginning

Nobody knows our relationship

Don't know our relationship, wrapped more in senses
You and I gradually come across each other's time
When closing two eyes, in the place shown to me (Ay)
Just stay right by my side
Woo woo woo woo woo woo yeah

Permeating scent of yours (Ya ya)
Air getting hot (Oh yeah)
Feel out of breath (No way)
Going to you (Yayayayay)

The perfect timing, this space right now
Will be the world you've ever imagined

Don't say nothing
Maybe, even without words your mind and mine notice
Oh, As if we have been waiting from the beginning

Nobody knows our relationship

Don't know our relationship, wrapped more in senses
You and I gradually come across each other's time
When closing two eyes, in the place shown to me (Ay)
Just stay right by my side
Woo woo woo woo woo woo yeah

Now, having crossed the narrow line between you and me
Can I cross this
All right all night, the moment when fingertip touched already
I am you

Don't know our relationship, wrapped more in senses
You and I gradually come across each other's time
When closing two eyes, in the place shown to me (Ay)
Just stay right by my side
Woo woo woo woo woo woo yeah
