

Had to cut my shorty off 'cause all these bitches goin'
She said that she love me but I know she really don't
Horses in the whip, scrape the curb, k, let's go
One inside the head, extended clips for my foes

I been feeling bad but I know my money good
Fuck 'bout what we had, like a candle girl you blew it
Something like Pinocchio, lil boy I wish you would
I ride with that fire on me, get left right where you stood
No, I ain't going out sad team rocket I blast, that's word to m
y brother

Your bitch wanna relax, she lickin' my tats, when we under cove
rs
Know they hatin, they mad, they want me to crash, I'm feeling l
ike fuck em'
Bitch can't play me like that, I'm seeing right past 'cause I'm
not a sucker
Feeling like I'm Danny, when I go ghost in the phantom
Laughing at my enemies, got more bread than your dad
White bitch, yeah, she feeling me and she say that I'm rad
Two hands with that steel on me like MK feel like Jax

Uh, had to cut my shorty off 'cause all these bitches goin'
She said that she love me but I know she really don't
Horses in the whip, scrape the curb, k, let's go
One inside the head, extended clips for my foes
I been feeling bad but I know my money good
Fuck 'bout what we had, like a candle girl you blew it
Something like Pinocchio, lil boy I wish you would
I ride with that fire on me, get left right where you stood
