

DICK4EVERYONE!

KxllSwxtch

Aye, Lil' Lou got that pack
MATHIAS
Kxllswxtch off the meds again
Shootin' my meat around, feel like a lasso
You talk about your dick so much
Shut up bitch, haha
Where my pills at?
Yeah, yeah, ayy, ayy

Fuck what he talking, he might catch a fist inside his mouth
Stick on me, keep it by my hip, no, this ain't no drought
Cock back (Bitch!), split his brains, see what he thinkin' 'bout
Two steppin' [?] stretchin', watch me walk it out

I put a hole in his belly like [?]
Come around here with that shit, you get pinned down
Ain't wanna fuck me before, on my dick now
Her pussy damaged, belong in the impound
I knocked the teeth out the face of a racist
Act like you tough but you pussy, just face it
Hidin' from police, I'm ducking, evading
Tie your bitch up to my bed like some laces
Shawty come ride on my dick, she teasin'
No, I cannot give a bitch my semen
I cannot breathe in the pussy, I'm wheezin'
Voices inside of my head, they speakin'
[?] in the pussy, feel like Carole Baskin
Machete on me, might chop him to fractions
Outside your crib with the rifle, I'm campin'
You with detectives like Inspector Gadget

Fuck what he talking, he might catch a fist inside his mouth
Stick on me, keep it by my hip, no, this ain't no drought
Cock back (Bitch!), split his brains, see what he thinkin' 'bout
Two steppin' [?] stretchin', watch me walk it out

Yeah, uh, uh, yeah
Uh, yeah
Want some dick? You get a dick
You get a dick, you get a dick
Everybody get some dick
Oh okay, we outta here
