

RUNAWAY

KxllSwxtch

Why do we pretend that we're enemies
Enemies?
Over and over again
I'm off in the deep, in the deep

I'm OK but maybe I'm lying
To confide in myself but I'm trying
I'm falling to pieces inside
In this silence here

So why do we pretend that we're enemies
Enemies?
Over and over again
I'm off in the deep, in the deep

Runaway, runaway
Runaway, runaway
Runaway, runaway
Runaway, runaway

From me
From me
From me

Runway from me
From me
From me

Runaway from me
Runaway from me
