

## Rescue Me

KXM

I've been looking for the right time  
But the right time never comes  
I've been looking for somebody  
Not just anyone  
And i haven't got the answer  
To why i feel alone  
I've been looking for the right time  
I'm on the run

Let me out  
Rescue me  
Let me out  
Let it be  
Rescue me

I never felt nobody  
Never settled down  
Yesterday's behind me  
The rest is unknown  
Just a weary traveller  
Like a rolling stone  
If you wanna join me  
You're more then welcome

Let me out  
Rescue me  
Let me out  
Let it let it let it be  
Rescue me

I've been looking for the right time  
But the right time never comes  
I've been looking for somebody  
Not just anyone  
And i haven't got the answer  
To why i feel alone  
I've been looking for the right kind  
And i'm still on the run

Let me out  
Rescue me  
Let me out  
Let it let it let it be  
Rescue me  
Let me out and rescue, rescue me  
Let me out  
Let it be  
Let it let it be  
Let it be
