You're a fire

I'm the dark in need of light

When we touch, you inspire

Feel the change in me tonight

So take me up, take me higher

G

There's a world not far from here

Bm

We can dance in desire

G

Or we can burn in love tonight

G

Our hearts are like firestones

Bm

And when they strike, we feel the love

Sparks will fly, they ignite our bones

But when they strike, we light up the world

Our hearts are like firestones And when they strike, we feel the love Sparks will fly, they ignite our bones But when they strike, we light up the world We light up the world

We light up the world Oooh oooh World Oooh oooh
