

## Hold On

Kygo

I've waited for this for so long  
Whatever you do  
Just hold on  
Turn off all the lights  
Until dawn  
Whatever you do  
Just hold on  
Just hold on

Just hold on  
Just hold on

I've waited for this for so long  
Whatever you do  
Just hold on  
Turn off all the lights  
Until dawn  
Whatever you do  
Just hold on  
Just hold on

Just hold on  
Just hold on  
Just hold on  
Just hold on

Just hold on  
Just hold on
