

Broken Hearted

Kyla

Only brokenhearted, lifes not over
I can start again
While Im lonely, brokenhearted
Its a hurting, thing to get over

Im young but Im wise enough to know
That you dont fall in love overnight
Thats why I thought if I took my time
That everything in love would be right
Oh, oh

But as soon as I closed my eyes
I was saying to love "good-bye"

Chorus:

But I guess Im only... brokenhearted
Lifes not over I can start again
While Im lonely brokenhearted
Its a hurting thing to get over

No more empty conversations
Next time I will be totally sure, oh
Dont want the pain of falling in and out of love
Its more than my poor heart should endure

Bridge:
So Ill listen to all advice
And remember each time I cry

Chorus

Da, da, da, da, da-ha whoa.

Bridge

Chorus

Think about you all the time

Bridge 2:

Never thought Id be alone again
Thats why I asked you to be my best friend
You know youre always on my mind
Think about you all the time

You know what Im saying?

Oh baby
