Doin' Just Fine

Kyla

There was a time when I thought life was over and out
When you went away from me
My dying heart made it hard to breathe
Would sit in my room
Because I didn't want to have to go out
And see you walking by
One look and I'd break right down and cry

Now you say that you've made a big mistake
Never meant to take your love away
But you can save your tired
Apologies
