

Hindi Mo Ba Alam

Kyla

Di mo ba alam
Lagi ko naman pinaparamdam
Aaminin ko pa ba sa'yo
Na ikaw ang gusto ko, oh oh

Baby I wanna let you know
This feeling inside I can't control
Baby I just want to know
If this feeling for me is what you want

Cause you're the joy in my life
And boy you're my type
When we're together, everything is alright

Di mo ba alam
Lagi ko naman pinaparamdam
Aaminin ko pa ba sa'yo
Na ikaw ang gusto ko, oh oh

You are my sunshine, my star
You brighten my day, and light up my heart
The way you hold me makes me smile
You got me going so crazy and why

Cause you're the joy in my life
And boy you're my type
When we're together, everything is alright
[x2]

Di mo ba alam
Lagi ko naman pinaparamdam
Aaminin ko pa ba sa'yo
Na ikaw ang gusto ko, oh oh
...

Girl you're like the sunshine
Cause you brighten my day and lift me up when the skies are gray
I knew right away from the moment we first met
You're first text message smiley face and the words went...
(Hey wassup boy, nice to meet you)
Huh, and I replied, like wise can I see you?
If it's all good cause I ain't trying to rush
The first thing we need is trust adjust
What you decide and take steps
And won't you come see me tonight like mae west
Just say yes and I'll behave my best
PKSO and rocky rock the name's so fresh

Di mo ba alam
Lagi ko naman pinaparamdam
Aaminin ko pa ba sa'yo
Na ikaw ang gusto ko, oh oh
