

# I'm Into You

Kyla

Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you  
Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you

And this I'm longing to tell you  
You're always on my mind  
You give me strength and you give me hope  
That no one else I can deny

I'm here  
I'm waiting for your call  
God knows, I'm ready for a fall  
How could I ever tell you  
I'm so into you

Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you  
Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you

Everyday I'm missing you  
Ain't got no time when I don't  
I can't, you know  
You give me faith  
And you give me hope  
That no one else  
I can't deny

I'm here  
I'm waiting for your call  
God knows, I'm ready for a fall  
How could I ever tell you, maybe  
I'm so into you

Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you

Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you

I'm into you...  
Every little thing that you say  
I'm into you  
I'm so into you  
I'm into you

Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you  
(I'm into you)  
Every little thing that you say  
Is a prophecy  
I need you everyday  
And I'm oh so down on you  
So please stay  
And this I say I love you
