

# My Heart

Kyla

The poet's all the same  
Even with pretend  
That every story has a beginning and an end  
It's difficult to know  
Knowing it's for real  
But there's one thing that I can do  
To show you how I feel

Here is my heart  
There's nothing else to prove  
Here is my heart  
I've been saving it for you  
Take it, it's yours  
Just promise me we'll never be apart  
And I promise you I'll give you my heart

There's no way to deny  
Something this for real  
And every day it's getting harder to conceal  
There's fire deep inside  
There's passion in my soul  
It's like you've cast your spell and now I'm under your control

Here is my heart  
There's nothing else to prove  
Here is my heart  
I've been saving it for you  
Take it, it's yours  
Just promise me we'll never be apart  
And I promise you

Of all the other planet, stars, the moon  
Throughout the galaxies  
When I look into your eyes  
I know that God made you for me  
And though there may be times I have to go away  
I'll never be too far  
Just know the only place  
I want to be is everywhere you are

Here is my heart  
There's nothing else to prove  
Here is my heart  
I've been saving it for you  
Take it, it's yours  
Just promise me we'll never be apart  
And I promise you I'll give you  
Right here today I'll give you  
Nothing else to say  
I'm giving you (I'm giving you)  
My heart (my heart)
