Only Reminds Me Of You

Kyla

I see you, beside me
It's only a dream
A vision of what used to be
The laughter, the sorrow
Pictures in time
Fading to memories

How could I ever let you go
Is it too late to let you know

Chorus:
I tried to run from your side
But each place I hide
It only reminds me of you
When i turn out of the lights
Even the night
It only reminds me of you

I needed my freedom
This what I've thought
But I was a fool to believe
My heart breaks while you cry
Rivers of tears
But I was too blind to see

Everthing we've been through before
Now means so much more

That I tried to run from your side
But each place I hide
It only reminds me of you
When I turn out of the light
Even the night
It only reminds me of you

Only you...

Please come back to me
I'm down on my knees
Boy can't you see...

How could I ever let you go
Is it too late to let you know

That I tried to run from your side
But each place I hide
It only reminds me of you
When I turn out all the lights
Even the night
It only reminds me of you

I tried to run from your side
But each place I hide
It only reminds me of you
When I turn out all the lights
Even the night
It only reminds me of you

```
You, You,
It only reminds me of you
```
