

SANDAANDALI

Kyla

Sandaandali
O sang tagal
Sandaan pang sandali laaang
Time out
Sandaandali
O sang tagal
Sandaan pang sandali laaang
No doubt
Sandaandali

Into infinites
Through every second, minutes
We hang
Ambilis ng oras
Any time and anywhere
Basta within perimeter
Chill lang
Sana please, not so fast

Isang dali, dal'wa, hanggang hundred and one
Extended time duration
From sandali to santagal once and for all
Suspended animation

Multiply yung sandali, sayong tabi, to sandaang dali
Para, para marami
Exponential sandali, sayong tabi, from one to ten-derly
Para, para-parati

Be with you, woah-oh-oh
Baby Sandaang dali
Maybe Sandaang dali
Take me Sandaang dali

Sandaandali
O sang tagal
Sandaan pang sandali laaang
Time out
Sandaandali
O sang tagal
Sandaan pang sandali laaang
No doubt
Sandaandali

And on and on again
In space-time continuum
We slide
Through the 4th dimension
Time and time and time again
A meant-to-be phenomenon
We ride
To explore forever

Isang dali, dal'wa, hanggang hundred and one
Extended time duration
From sandali to santagal once and for all
Suspended animation

Multiply yung sandali, sayong tabi, to sandaang dali
Para, para marami
Exponential sandali, sayong tabi, from one to ten-derly
Para, para-parati

Be with you, woah-oh-oh
Baby Sandaang dali
Maybe Sandaang dali
Take me Sandaang dali

Sandaandali
O sang tagal
Sandaan pang sandali laaang
Time out
Sandaandali
O sang tagal
Sandaan pang sandali laaang
No doubt

Sandaandali
O sang tagal
Sandaan pang sandali laaang
Time out
Sandaandali
O sang tagal
Sandaan pang sandali laaang
No doubt
Sandaandali
