

# Till I Met You

Kyla

(Till I met you  
I never knew what love was  
Till I met you  
Till I met you)

I never dream  
'Cause I always thought that dreaming was for kids  
Just a childish thing  
And I could swear  
Love is just a game that children play  
And no more than a game

Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day

I believe you  
I believe in every word that you say  
I love you all the way  
Now I could swear  
Love is not a game that children play  
So tell me that you'll stay

Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day

You and I should be together  
Can't you see  
Can't you see

Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day  
...
