

There's this special kind of feelin'  
I wanna share  
And it feels so right, so right  
So let's take our time

Oh baby we should be together  
Closer all night  
It's gonna feel alright, alright  
Love has given a sign

I'm gonna give my love  
Take away my heart and soul  
Gimme some of that  
Tender loving care  
It's all about  
Tender loving care

Gonna sing this love  
Dedicated only to you  
So gimme some of that  
Tender loving care  
It's all about  
Tender loving care

Gimme that gimme that  
T LC  
Gimme that gimme that  
You will see  
Gimme that gimme that

Like what we oughtta do  
Feels so right, so right

Who can make me lose my mind  
Our love will stand all time
