### VERSE 1

It feels like a lifetime,
A thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with me

### CHORUS

Heaven knows what to say
Even though for right now
you re so far away
I hope and I pray
Somewhere in your heart I always stay
Girl, lately
my sun doesn t shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath and my life ended
Had to say just what I was feeling, girl
Cause my sun doesn t shine,
Sun doesn t shine without you

# VERSE 2

This is more for me than for you Girl, I finally see there so no substitute For what we have
Do you know how much I love you?
And what we shared
I can st forget
Girl, a love like yours
I stll never let just slip away
Just promise me that you sli stay

## CHORUS

Heaven knows what to say
Even though for right now you re so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately
my sun doesn t shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath in my life ending
Had to say just what I was feeling, girl
Cause my sun doesn t shine,
Sun doesn t shine...
