

Cupid's Aim

Kyle Echarri

Yeah

This one's for you

Let's fall in love, baby

Let's kiss under the stars

I can feel it in my soul tonight

I want who you are

I've been stuck in obsession

I want you under my possession now

I want nothing but you here with me

We can fly away

I can take you to Barcelona

Bring you home or you can stay

Baby, give me time

I'm gonna give you my whole world

Tonight

So tell me what you want

I'll give you my all

Forget about reality, baby

All I want is you

So tell me what you want

Yeah, I'll give you my all

I've been thinkin' 'bout you all day

Baby tell me when you want me

We can sip that champagne

Whatever you want baby, I got it

I've been giving love to you like it's a ritual

Baby, when I'm done with you

You'll feel so spiritual

Paradise, that's on my mind

You me baby we can fly

Anywhere you want as long you free

Baby, come and take a chance and

Come float with me

I'ma keep you by my side babe

So tell me what you want

Yeah, I'll give you my all

Forget about reality, baby

All I want is you

So tell me what you want

Yeah, I'll give you my all

Ever since I met this girl

She made me feel something different man

I can't explain it

She my girl

Yeah, she my wifey

She been my world

Since the first date

So, where do we go from here

Baby

Yeah, tell me what you want
I'll give you my all
Forget about reality, baby
All I want is you
Yeah, tell me what you want
I'll give you my all, baby

Hold you down
Hold you close
Baby, you know I do the most
Doesn't matter how it goes
All I know is that you know
That I love you, baby
Come on let me take you away, yeah
Right now, right now
Baby, tell me that you want me and you're here to stay
Baby, tell me that you love me and you'll never play
Cause I ain't playin' games
Cupid got his aim, yeah

Yeah, I know what you want
Yeah, I know what you need
There's no one that can tell me wrong
'Cause Cupid has shot me
I know what you want
Yeah, I know what you need
Yeah
