

# Got To Believe In Magic

Kyle Echarri

Take me to your heart  
Show me where to start  
Let me play the part of your first love  
All the stars are right  
Ev'ry wish is ours tonight  
My love

Pity those who wait  
Trust in love to faith  
Findin' out too late that they've lost it  
Never letting go  
They will never know the ways of love

Got to believe in magic  
Tell me how two people find each other  
In a world that's full of strangers  
You've got to believe in magic  
Somethin' stronger than the moon above  
'Cause it's magic when two people fall in love

I may never know  
Why I need you so  
All I need to know is this feeling  
Handle it with care  
We were born to share this dream  
My love

Got to believe in magic  
Tell me how two people find each other  
In a world that's full of strangers  
You've got to believe in magic  
Somethin' stronger than the moon above  
'Cause it's magic when two people fall in love

Got to believe in magic  
Tell me how two people find each other  
In a world that's full of strangers  
You've got to believe in magic  
Somethin' stronger than the moon above  
'Cause it's magic when two people fall in love  
Somethin' stronger than the moon above  
'Cause it's magic when two people fall in love
