

Mixed Signal (Version 1)

Kyle Echarri

Mmhm, mmhm
Uh yeah
Yeah

Seems like 24/7 we're on the phone
You keep saying that you gotta go, but you don't
I know you know you've got me
On a temporary high
'Cause when I take a step closer
You run and hide, yeah
Got me hooked just from your smile

But you keep giving me mi-i-i-i-ixed signals
I'm just here for some rea-ea-ea-ea-eal loving
Ain't no time for some mi-i-i-i-ixed signals
Girl, I just wanna love you
Oh, won't you let me love you, ooh ooh

You and I, we've got our little inside jokes
And you know I'm here for ya
When you feel alone
And I wanna be careful so I'll take it slow, ooh
But there's a lot more to ya
That I wanna get to know

You know my love ain't just for show

But you keep giving me mi-i-i-i-ixed signals
I'm just here for some rea-ea-ea-ea-eal loving
Ain't no time for some mi-i-i-i-ixed signals
Girl, I just wanna love you
Oh, won't you let me love you, ooh ooh yeah

Oh, won't you let me love you

Don't you think it's time we crossed the line
Can't wait to tell everybody
That you're mine
But even if I say these things just know I'm he-ere
To make you laugh, to wipe away your tears

But you keep giving me mi-i-i-i-ixed signals
I'm just here for some rea-ea-ea-ea-eal loving
Ain't no time for some mi-i-i-i-ixed signals
Girl, I just wanna love you
Oh, won't you let me love you, ooh ooh yeah
