Danger! The psychopathic thinkers have arrived  
And if you got a problem with that  
Shut your fucking mouth!  
Get the fuck up!  
Come on!

Suck the dick, drink the piss  
Suck, suck the dick, drink the piss  
Fuck MTV, I ain't afraid to say it  
That bubblegum boy band shit? That's gay  
Fist fight me, pick the place  
I'ma fuck you up, and then fuck your face

Nick Lachey can, \*ricka\*, lick my dick  
\*NSYNC? That shit's for chicks  
I'ma get the CD and then set that shit on fire

Well, I'ma say it  
Fuck you

When you crawl out of my brain (A demented psycho freak)  
Will you crawl right back again? (Chainsaw, decapitation)  
When you crawl out of my brain (Insane in the, \*ricka\* \*ricka\*, fuck you)  
Crawl to me

Suck, suck the dick, drink the piss  
Well, I'm about to kill you to death  
How'd you like a butterfly knife to the neck?  
And if I make you dead, you won't live  
'Cause I definitely got no fucks to give  
You want to call me names and talk shit  
I'll hit a motherfucker in the head with a fist  
Stool Sample, handle this  
And you can suck the dick and then drink the piss

Well, I'ma say it  
Yeah, I'ma say it  
Yeah, I'ma say it  
Fuck you

When you crawl out of my brain (Your mommy can't save you now)  
Will you crawl right back again? (I'm a young Ron Jeremy, dickin' your wife)  
When you crawl out of my brain (Sorry, little girl)  
Crawl to me  
When you drown me in my pain (You've never been killed by me before!)  
Will you fall right back again? (Fucked up in the head)  
When you drown me in my pain (How's it feel to be dead?)  
Crawl to me

But I want to say one thing to the American people  
I did not, I did not have sexual relations with that woman  
I did not have sexual- sex-sexual lauxes  
Sexual relations with that woman  
These allegations  
The-the-these allegations are false
