

## Presenting - A Song For Lovers

**Kyle Gordon**

Let's hop in a time machine, and travel back to the land of bell bottoms, far-out fellas, and groovy tunes. It's 1973 and this next tune is racin' up Billboard's Hot Soul Singles chart. These four horny Jews and their smooth boogie music made them hometown heroes in the greater Philadelphia metropolitan area. So sit back, relax, and enjoy the abrasive sexuality of... The Polyesters.
