Kyle Gordon

At the turn of the Y2K millenium, bad boys ruled the world
From Limp Bizkit to Linkin Park, to everyone's favorite - Spine
shank - hip-hoppers were blasting electric guitars, and heavy m
etal rockers were spittin' some serious rhymes
But when it came to 100% pure, unfiltered, twisted mayhem, no o
ne could compete with these five actual sociopaths from Modesto
, California
At No. 8, it's Stool Sample with: "Crawl to Me."
