

Seems like everybody's falling in love except for me  
Maybe I'll, maybe I'll find love when I'm 23  
They say, "Boy just make up your mind, you're wasting your time  
waiting for someone who would set you free"  
Well I'm sorry but I disagree

And all the stars and TV shows  
I'd like it so wrong to be alone  
Why is it so hard for them to see?

That I'm good by myself  
But that don't mean that I don't want that someone else  
To finally fall in love with  
'Cause I'm not lonely but I'll take my one and only  
If she finds me then I won't say no

I guess nobody finds the wrong way to do it right  
Maybe, I'll maybe I'll find love in another life  
Because I'd rather wait a million days than settle for a lie  
That fake love is a waste of time

If fairytales are overrated  
I don't mean to come up cheated  
But why can't you see I'm doing fine

'Cause I'm good by myself  
But that don't mean that I don't want that someone else  
To finally fall in love with  
'Cause I'm not lonely but I'll take my one and only  
If she finds me then I won't say no  
I won't say no
