

Hello My Name Is

Kyle Hume

Hello my name is ruinin' your day with
Overcomplicatin'
Every little thing that you do
Hello and goodbye to all of your good vibes
You gave it a good try
Never thought that we'd be introduced

It was sunshine every single day for so long
Nothin' seemed to go wrong
Didn't even know it could rain
Out of nowhere I felt somethin' try to sneak in
Push me in the deep end
Now it's almost every day

I had a good thing going
Got a bit too lonely
Opened up the door to my head
I thought that it would only
Stay a day or so
Until it walked right in
And it said

Hello my name is ruinin' your day with
Overcomplicatin'
Every little thing that you do
Hello and goodbye to all of your good vibes
You gave it a good try
Never thought that we'd be introduced
Hello my name is
Hello my name is

I tried servin' it an eviction noticed
Hoping it might end up homeless
But it started paying rent
Hasn't missed a payment since
Tried to push it out of focus
More I try the more I'm hopeless
It just walks in again and again

I had a good thing going
Got a bit too lonely
Opened up the door to my head
I thought that it would only
Stay a day or so
Until it walked right in
And it said

Hello my name is ruinin' your day with

Hello and goodbye to all of your good vibes
