

Last thing I'd ever wanna do is scare you off
 So I bite my tongue, and I play along
 Acting like I never even gave a single thought
 To the future that we got

'Cause I don't wanna seem crazy, don't call me insane
 But it's feeling like maybe we're on the same page
 I got no objections to moving too fast
 So if you say it first, I'ma hit you right back with the

I-L-O-V-E-Y-O-U-2
 (Ha-ha, you know what I'm saying like)
 I figured you thought it'd be too soon
 'Cause it's so brand new
 But now I know where you stand
 The cat's out the bag
 Oh, I'd be so stupid to not say it back
 So I-L-O-V-E-Y-O-U-2
 And that's the truth

Baby, I don't wanna jinx a good thing
 But you're playing violin on my heart strings
 It's getting harder and harder to hold it in
 I'm getting kinda scared it's gonna slip

'Cause I don't wanna seem crazy, don't call me insane
 But it's feeling like maybe we're on the same page
 I got no objections to moving too fast
 So if you say it first, I'ma hit you right back with the

I-L-O-V-E-Y-O-U-2
 (Ha-ha, it's honestly insane)
 I figured you thought it'd be too soon
 'Cause it's so brand new
 But now I know where you stand
 The cat's out the bag
 Oh, I'd be so stupid to not say it back
 So I-L-O-V-E-Y-O-U-2
 And that's the truth

That's the truth, that's the truth, that's the truth, babe
 It's only you, only you, only you, babe
 That's the truth, that's the truth, that's the truth, babe
 It's only you, only you

I don't wanna seem crazy, don't call me insane
 But it's feeling like maybe we're on the same page
 I got no objections to moving too fast
 So if you say it first, I'ma hit you right back with the

I-L-O-V-E-Y-O-U-2
 (Would've said it sooner, said it sooner, but)
 I figured you thought it'd be too soon
 'Cause it's so brand new
 But now I know where you stand
 The cat's out the bag
 Oh, I'd be so stupid to not say it back

So I-L-O-V-E-Y-O-U-2
And that's the truth
