

Come On

Kyle Park

Well it's a 1, 2, 3 you said let's go
I wanna get good seats at the show you know
Oh you know that it's the kind of place you would never go
But when you have fun I'll say I told you so
Oh I told you so

Baby

Baby, baby, baby, you make me feel alive
And you can take me
Take me anywhere you want, I'm yours tonight
All night, all right, so just
Come on, come on, let's get a little risky
Come on, come on, we're in love, drunk, and tipsy
Come on, come on, baby, just kiss me
Just kiss me

Well it's 1, 2, 3 and the lights go down
All the music starts and you can hear the sound
You can hear the sound of young hearts beating so damn loud
Just you and me rocking to the rhythm now
Rocking to the rhythm now

Baby

Baby, baby, baby, you make me feel alive
And you can take me
Take me anywhere you want, I'm yours tonight
All night, all right, so just
Come on, come on, let's get a little risky
Come on, come on, we're in love, drunk, and tipsy
Come on, come on, baby, just kiss me
Oh, just kiss me

Get lost in the music
The lights and the movement
It feels so electric
You and me we get it

Baby

Baby, baby, baby, you make me feel alive
And you can take me
Take me anywhere you want, I'm yours tonight
All night, all right, so just
Come on, come on, let's get a little risky
Come on, come on, we're in love, drunk, and tipsy
Come on, come on, baby, just kiss me
Oh
Come on, come on, let's get a little risky
Come on, come on, we're in love, drunk, and tipsy
Come on, come on, baby, just kiss me
