

If We Make It Through December

Kyle Park

If we make it through December
Everything's gonna be all right I know
It's the coldest time of winter
And I shiver when I see the fallin' snow
If we make it through December
I got plans to be in a warmer town come summer time
Maybe even California
If we make it through December we'll be fine

I got laid off down at the factory
And their timin's not the greatest in the world
Heaven knows I been workin' hard
I wanted Christmas to be right for daddy's girl
Now I don't mean to hate December
It's meant to be the happy time of year
And my little girl don't understand
Why daddy can't afford no Christmas here

If we make it through December
Everything's gonna be all right I know
It's the coldest time of winter
And I shiver when I see the fallin' snow
If we make it through December
I got plans to be in a warmer town come summer time
Maybe even California
If we make it through December we'll be fine
