Go For Gold!

Kyle Patrick

Let's make some history tonight
The child inside is wild
Let's make this moment come to life
The time is on our side

Don't know what's up ahead
It's only high and low
Picture it in your head
Nothing's impossible

We're gonna make it now
We're gonna leave our mark
Let's take a shot in the dark

Ready set "go for gold"
Chasing every heartbeat
We can feel it starting

Ready set "go for gold"
Chase it 'til we own it
Living in the moment

Ready set "go for gold tonight"

Even if we fall and make mistakes
We live, we learn, we change
Gotta keep on going every day
And it will be worth the wait

Don't know what's up ahead
It's only high and low
Picture it in your head
Nothing's impossible

We're gonna make it now
We're gonna leave our mark
Let's take a shot in the dark

Ready set "go for gold"
Chasing every heartbeat
We can feel it starting

Ready set "go for gold"
Chase it 'til we own it
Living in the moment

Ready set "go for gold tonight"

Ooo Ooo Ooo (go for gold)
Ooo Ooo Ooo
Ooo Ooo Ooo
Ooo Ooo Ooo

Ready set "go for gold"
Chasing every heartbeat
We can feel it starting

Ready set "go for gold"
Chase it 'til we own it
Living in the moment

Ready set "go for gold tonight"
