

Yeah?!

Kyle Patrick

Maybe it's the way I'm walking
Maybe it's the lines I'm crossing
I met her at the Hoochie Koo
Now she got me in her pocket
Yeah
Yeah
At the Hoochie Koo
Yeah
Yeah
At the Hoochie Koo
Yeah

Take me under purify me
Make me love you with your body
Shake the paint right off my bedroom walls
Call the cops!
Yeah
Yeah
I've been robbed!
Yeah
Yeah
Yeah
All your fault!

I'm going off
My reservation has been taken
Is this real or are you faking
I'm feeling lost and so confused
You know the truth but you're not saying
Oh my god
I've been Bobbed
I'm not Bob
This is not
How I talk
What's going on?
Just stay calm

Call the cops!
Yeah
Yeah
All your fault
Yeah
Yeah
Yeah
