

If You Want Me To

Kyler England

you're too quiet now
it's 2am
lying beside you
don't want to lose
this reckless feeling
scared out of my mind
what does it mean
that look in your eyes
what are you thinking
come on say something

before i fall in love with you
unless you want me to
don't let me fall in love with you
unless you want me to

the moon through the blinds
leaves you half lit
the curve of your back
illuminated
the other sides dark
can't make out the shape
i'm longing to see
the look on your face

what are you thinking
come on say anything at all

before i fall in love with you
unless you want me to
don't let me fall in love with you
unless you want me to

i have never wanted anything more than i want you
but i'm still holding on tight to the edge, i don't know what else to do

don't let me fall in love with you
unless you want me to
don't let me fall i love with you
unless you want me to

i'm gonna fall in love with you, if you want me to
