

# Where The Horizon Unfolds

Kylesa

Night - eroding the stones of man  
Flight - within the psyche of man  
Cry out - dead matter awakes  
Shadows - of past self awake

Outside - world spins your fate  
No guide - demise of spirit awaits  
Fight - futile attempts of man  
In sight - the fertile grip of man

When does the tunnel fucking end?

Fallen times and relics speak  
Truths of the strong and weak  
History repeating with a laugh  
We all want what we can't have

I can't find another way  
Can't find another way  
Where does the horizon unfold?  
Where does it break away?  
When does the tunnel end?..
