

# Can't Stop Writing Songs About You

Kylie Minogue

I don't wanna write another love song  
Since all of the love's gone  
She's gone away, yeah, yeah  
So maybe I'll sing something different  
But would you listen  
To what I say?

'Cause it's just no use of making you my thing  
If it ain't about you, then I've run out of words to say  
Yeah, yeah, yeah, yeah, yeah, yeah

I just can't stop writing songs about you  
I just can't stop writing songs about you (You)  
I just can't stop writing songs about you  
But maybe I don't want to  
Maybe I don't want to

I don't even know what I'm thinking  
And I'm not even drinking  
But I'm drunk on you, you, you  
You're the rhythm and the groove  
And you're the sweetest melody  
Baby, I just can't dance  
Unless you're dancing right here next to me

'Cause it's just no use of making you my thing  
Mmm hmmm  
If it ain't about you, then, boy, it ain't the same  
Oh no, no, no, no, no

I just can't stop writing songs about you  
I just can't stop writing songs about you (You)  
I just can't stop writing songs about you  
But maybe I don't want to  
Maybe I don't want to

G. G.

Mmm  
Ah ha yeah yeah  
Ooh ooh ooh  
Mm hmm

Every single night, every single night  
Always on my mind, always on my mind  
Only wanna write, only wanna write  
Only wanna write songs about you (Ohh)

I just can't stop writing songs about you (Songs about you, yeah)  
I just can't stop writing songs about you (You) (Songs about you, yeah)  
I just can't stop writing songs about you (Ooh yeah)  
But maybe I don't want to  
Maybe I don't want to (You)

Can't stop, can't stop  
No, nah  
(Yeah) Can't stop, can't stop

Oh no, no, no, no  
Can't stop, can't stop  
Oh no  
Can't stop, can't stop  
Oh no, no, no, no
