

# I Will Survive

Kylie Minogue

First I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But I spent oh so many nights  
Just thinking how you did me wrong  
And I grew strong  
And I learned how to get along

Go on and go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
But you are the one who tried to hurt me with goodbye  
Do you think I'd crumble?  
Do you think I'd lay down and die?

Oh no, not I, I will survive  
Just as long as I know how to love  
I know I'll stay alive  
'Cause I've got all this life to live  
And I got all this love to give  
And I will survive, I will survive...

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
I spent oh so many nights feeling sorry for myself  
How I used to cried  
But now I hold my head up high  
Motherfuckers!

Go on and go, walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
But you are the one who tried to hurt me with goodbye  
Did you think I'd crumble?  
Did you? Did you?  
No no  
Of course not  
Did you think I'd lay down and die?

Oh no, not I, I will survive  
Just as long as I know how to love  
I know I'll stay alive  
'Cause I've got all this life to live  
And I got all this love to give  
And I'll survive, I will survive, hey hey...
