

Rest Of Our Lives

Kylie Minogue

We are one step closer to the finish line
(Hey, hey)
We have paid our dues and made up our minds
(Hey, hey)
And the road was rocky and we took our time
(Hey, hey)
If you search for gold you'll have to climb
(Hey, hey)

We hold our heads high up, high up
We hold our heads high, hold our heads high
So put your hands right up, right up
And keep them up high, keep them up high
We hold our heads high up, high up
We hold our heads high, hold our heads high
And this is our first day, of the rest of our lives, rest of our lives

We are all messed up but we found our way
(Hey, hey)
'Cause we all got lost in the smoky haze
(Hey, hey)
Yeah the road was rocky but we took our time
(Hey, hey)
'Cause we searched for gold it ain't easy to find
(Hey, hey)

We hold our heads high up, high up
We hold our heads high, hold our heads high
So put your hands right up, right up
And keep them up high, keep them up high
We hold our heads high up, high up
We hold our heads high, hold our heads high
And this is our first day, of the rest of our lives, rest of our lives

High up, high up
High up, high up

We hold our heads high up, high up
And keep them up high
So put your hands right up, right up
And keep them up high

We hold our heads high up, high up
We hold our heads high, hold our heads high
So put your hands right up, right up
And keep them up high, keep them up high
We hold our heads high up, high up
We hold our heads high, hold our heads high
And this is our first day, of the rest of our lives, rest of our lives

High up, high up
High up, high up
