Break Things

Kylie Morgan

If it's a 65 mile an hour drive
I'll be doin' 90
If it says don't look, don't touch
You know that's where you'll find me
Don't hand me the keys to your pickup truck
'Cause I drive like I drink and I only drink from plastic cups

So don't stand too close
Oh no, don't fall too hard
I ain't a promise in the dark
'Cause I break things

You think you do, but you don't
I tend to take it too far
So don't hand me your heart
'Cause I break things

Oh-oh-oh, oh
Oh-oh-oh, oh
Oh-oh-oh, oh

I'm the type that'll break the ice
If you're standing in the corner
I'm a wrecking ball, red lipstick on
So I just thought I'd warn ya
If it says be quiet then I can't shut up
(I break things)
I love like I love and I won't let up
No, I won't let up

So don't stand too close
Oh no, don't fall too hard
I ain't a promise in the dark
'Cause I break things

You think you do, but you don't
I tend to take it too far
So don't hand me your heart
'Cause I break things

Oh-oh-oh, oh
Oh-oh-oh, oh
Oh-oh-oh, oh

Lucky for you some things are better broken
And I kinda like you
And I like where this is goin', but

Don't stand too close
Don't fall too hard
I hate to hurt you, baby
But I break things

You think you do, but you don't
I tend to take it too far
So don't hand me your heart
'Cause I break things

Oh-oh-oh, oh
Oh-oh-oh, oh
Oh-oh-oh, oh

Don't hand me the keys to your pickup truck
(I break things)
'Cause I drive like I drink and I only drink from plastic cups

Oh-oh-oh, oh
Oh-oh-oh, oh
Oh-oh-oh, oh
(I break things)

Oh-oh-oh, oh
Oh-oh-oh, oh
Oh-oh-oh, oh
(I break things)
