

# Break Things

Kylie Morgan

If it's a 65 mile an hour drive  
I'll be doin' 90  
If it says don't look, don't touch  
You know that's where you'll find me  
Don't hand me the keys to your pickup truck  
'Cause I drive like I drink and I only drink from plastic cups

So don't stand too close  
Oh no, don't fall too hard  
I ain't a promise in the dark  
'Cause I break things

You think you do, but you don't  
I tend to take it too far  
So don't hand me your heart  
'Cause I break things

Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh

I'm the type that'll break the ice  
If you're standing in the corner  
I'm a wrecking ball, red lipstick on  
So I just thought I'd warn ya  
If it says be quiet then I can't shut up  
(I break things)  
I love like I love and I won't let up  
No, I won't let up

So don't stand too close  
Oh no, don't fall too hard  
I ain't a promise in the dark  
'Cause I break things

You think you do, but you don't  
I tend to take it too far  
So don't hand me your heart  
'Cause I break things

Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh

Lucky for you some things are better broken  
And I kinda like you  
And I like where this is goin', but

Don't stand too close  
Don't fall too hard  
I hate to hurt you, baby  
But I break things

You think you do, but you don't  
I tend to take it too far  
So don't hand me your heart  
'Cause I break things

Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh

Don't hand me the keys to your pickup truck  
(I break things)  
'Cause I drive like I drink and I only drink from plastic cups

Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh  
(I break things)

Oh-oh-oh, oh  
Oh-oh-oh, oh  
Oh-oh-oh, oh  
(I break things)
