

# Fireworks

Kylie Morgan

I've had my skin turned so red  
But I still stand in the sun  
Yeah, I've been stabbed in the back by my friends  
But I still make new ones  
I've almost drowned, waves knocked me down  
But I still love the ocean  
So, why would I hold back my heart  
Just 'cause it's been broken

Since I first saw you that night on those stairs  
Middle of a party, just you and me there  
Suddenly I forgot all of the times I've been hurt  
And damn, I've been hurt  
Now, looking back, I don't know what I'd do  
If I'd blamed my past and I'd missed out on you  
I hope that I never learn  
'Cause even though I've been burned  
I still love fireworks

I've felt those sparks  
In so many dive bars  
But what they want is all the same  
I've even driven  
A boy home for Christmas  
We died like the tree before Valentine's Day  
But I'll still take you home to Oklahoma anyway

Since I first saw you that night on those stairs  
Middle of a party, just you and me there  
Suddenly I forgot all of the times I've been hurt  
And damn, I've been hurt  
Now, looking back, I don't know what I'd do  
If I'd blamed my past and I'd missed out on you  
I hope that I never learn  
'Cause even though I've been burned  
I still love fireworks

So, light me up  
Light me up  
Light me up  
I'll never let you go

Since I first saw you that night on those stairs  
Middle of a party, just you and me there  
Suddenly I forgot all of the times I've been hurt  
Damn, I've been hurt  
Now, looking back, I don't know what I'd do  
If I'd blamed my past and I'd missed out on you  
I hope that I never learn  
'Cause even though I've been burned  
I still love fireworks
