

# Tempted

Kym Marsh

Setting up my battlements  
Waiting for the guilt to come  
Like armies have intent  
Turning me to face someone  
Who looks a million loving nights  
And every stolen glance pulls me in deeper

Lay off my back and look at stars  
Think of all the love we gave  
He writes it down for me  
But I've already turned the page  
And I feel the ground beneath me give  
Close around my eyes and I am sleepy

Where in my life did this begin  
What happens now  
If I admit

I'm tempted by your touch  
I'm tempted by your moves  
I don't know where to look  
Don't wanna have to choose  
'cause I'm tempted and I know  
Where this is leading to  
If I surrender now  
If I give in to you  
Give in to you  
Give in to you

Like water through my hands  
Your propositions come  
He's writing in the sand  
I'm staring at the sun

And promises and memories  
All dance before my eyes  
But have no meaning

Where in my life  
Is this gonna end?  
Where do we go  
If I admit

I'm tempted by your touch  
I'm tempted by your moves  
I don't know where to look  
Don't wanna have to choose  
'cause I'm tempted and I know  
What this is leading to  
If I surrender now  
If I give in to you  
Give in to you  
Give in to you

I don't wanna hear the question  
I'm scared of my confession  
I'll save it for another day

ohhh  
Can't even deal with maybe  
'cause nothing's gonna save me  
Ever hear me say  
That I'm tempted

I'm tempted by your touch  
I'm tempted by your moves  
I don't know where to look  
Don't wanna have to choose  
'cause I'm tempted and I know  
What this is leading to  
If I surrender now  
If I give in to you  
Give in to you  
Give in to you
