Ocean tides release me now
Ocean tides release me now
Ocean tides release me now
Ocean tides release me now
Ocean tides release me now

I, I, I, I, I, I, I, I

Only the move from the tide is fine
Ocean tides release me now
Ocean tides release me now
Ocean tides release me now
Ocean tides release me now
Ocean tides release me now

I wouldn't bounce sit soft on the shore
Only the move from the tide is fine
Only the move from the tide is fine
Only the move from the tide is fine
