Kyuss

Feed my lungflower seed,  
You are gone and now I'm free (I'm free - yeah),  
Strip me down to nothing,  
Fuck me will free the vulture (make it fly),

Burning my brain and burning my teeth (in the sun),  
100% and burning my need (make it fly),  
Live the love that I have for you,  
Taking you life for want you (free)
