

# All That You Are

L.A. Guns

Na na na na na  
Hey hey  
Na na na na na na

I won't close my eyes  
I won't say goodbye

Ain't seen the likes of me  
Cause I will make you see  
What doesn't kill me just makes me stronger  
You spent your days in school  
I learned these cities rules  
The things I learned just can't be graded

Life's so unfair  
But I'm not cryin'  
Too much to bear  
I'm not crying

All that you are, all that you'll be  
Lookin' with one eye it's so hard to see  
All that you are, all that you'll be  
The taste of your half empty glass ain't for me

Na na na na na  
Hey hey  
Na na na na na na

You can't comprehend  
Some dreams never end

You always have denied  
Don't have the heart to try  
Life through your eyes is lost and jaded  
You spent your days in school  
I learned these cities rules  
The things I learned just can't be graded

Life's so unfair  
But I'm not cryin'  
Too much to bear  
I'm not crying

All that you are, all that you'll be  
Lookin' with one eye it's so hard to see  
All that you are, all that you'll be  
The taste of your half empty glass ain't for me

All that you are, all that you'll be  
Lookin' with one eye it's so hard to see  
All that you are, all that you'll be  
The taste of your half empty glass ain't for me

Na na na na na  
Hey hey  
Na na na na na na

Na na na na na  
Hey hey  
Na na na na na na

Na na na na na  
Hey hey  
Na na na na na na

I won't close my eyes
