L.A. Guns

The sun don't shine  
Rain, it don't mind  
Ain't like you're living  
When you ain't got time  
Power to the one  
I want some  
Call me a winner  
Cause I'm matched by none

Ain't no law  
When you're pulling the trigger on my gun  
Ain't no law  
When you're pulling the trigger on my gun

Go be a dog for the money  
Go be that bitch, gonna howl  
Don't look to hard for you, honey  
Do it, yeah  
Go be a dog for the money  
Go be that bitch, gonna howl  
Don't look to hard for you, honey  
Money, money, money

Gonna be my dog  
Woof  
Gonna be my dog

Hey, kitty, kitty, kitty  
Don't you find  
You scrap like a mutt  
But you're so feline  
Flea don't wanna bite ya  
Cause you got that mange  
Throwing you a bone  
But the beast don't change

Ain't no law  
When you're pulling the trigger on my gun  
Ain't no law  
When you're pulling the trigger on my gun

Go be a dog for the money  
Go be that bitch, gonna howl  
Don't look to hard for you, honey  
Do it, yeah  
Go be a dog for the money  
Go be that bitch, gonna howl  
Don't look to hard for you, honey  
Money, money, money

Gonna be my dog  
Woof  
Gonna be my dog

I can lead you anywhere  
Gonna be my dog  
I can make you sit right there

Gonna be my dog  
You got no mind of your own  
Gonna be my dog  
Gonna be my, gonna be my

Gonna be my dog  
Woof  
Gonna be my dog  
Come on!  
Gonna be my dog  
Woof  
Gonna be my dog
